“You can measure quality in a nursing home by looking in people’s mouths, because it’s one of the last things to be taken care of.”

U -XGLWK -RQHV &KDLU HSDUWPHQW8QLYHQWDO HQWLWU

6RPH RI WKH FRPPHQWV

‡ ‘HQWUWHW that facilities have designated rooms for licensed hair care but no room for health care. In the picture with the article, the woman is getting treated in a conference room! No privacy, infection control, dignity or HIPPA compliance. Note the other residents watching the procedures being done.’

‡ ‘DXJKWUWHW and they lost 3 different electric toothbrushes. The final straw was when I discovered they had been brushing her teeth with her deceased roommate’s toothbrush’
